To Prof. Young we owe the working idea for a daily news sheet and to the Athletic Association the initial support necessary to make the start. The policy of the Cornell Bulletin is non-opposition to other Cornell publications and non-conflict in their fields. Its purpose is to meet the need of a quick, sure and adequate medium of communication among women students. Each one's support therefore will mean one more link in the chain which we believe will make for unity and cooperation in all our interests and activities.

ATHLETICS.

Play hour March 28th.

This evening at 8 o'clock at the Armory the last Play Hour of the year will be held to which all the women in the University are invited, also Faculty members and their families. The program will consist of marching, dancing, fencing, games and a competitive drill by the Freshman, (wands) and Sophomore (dumb bell) classes. There will be a number of relay races between the two classes, and the class which wins the largest number of points during the evening, will be awarded the Gymnasium Championship for the year. The last number on the program will be a game of baseball between teams from the Junior and Senior classes.

STUDENT GOVERNMENT.

Because of the postponement of the Pageant to Oct. 14, it was necessary to elect a new chairman. A. MacDonald '17 who has done such excellent work as student chairman, will have assumed duties in the fall as President of the Student Government Association and hence could not devote the necessary time to the Pageant. V. Graham '18 has been elected to fill the position.

Invitations for the Dansant to be given by the Student Govt. Assn. Apr. 1, may be obtained from H. Parsons '18 or J. Ralph '19. E. Becker '18 is chairman of the committee.
